

WHAT IS THE LIFELINE AND LINKUP PROGRAM?

Lifeline is a service offered as part of a government assistance program which provides discounts on recurring monthly phone or wireless service charges. Available to eligible consumers who qualify through participation in other government programs or income. The service is non-transferable and the program is limited to one discount on telcom service per household.

Link-Up provides a one-time discount on the installation of telephone per household.

Deposit will be waived if selecting Toll Restriction. Additional features, beyond the basic services, are not covered by Lifeline.

Carrying out a policy in existence since 1985, the Lifeline Program is designed to ensure that quality telecommunications services are available to eligible consumers at just, reasonable, and affordable rates.

Lifeline & LinkUp

LIFELINE AND LINKUP INFORMATION

How Many Lines are authorized Per Household?

Only one subsidized phone service is allowed per household. It can either be a **landline or cellular** phone, but not both.

How do I Apply?

Call Adak Telephone Utility or Windy City Cellular your local provider of telecommunication services. Request an application for Lifeline services.

Who Pays for the Lifeline and Link-Up Program?

All telecommunications service providers must contribute a percentage of its end user telecommunications revenue to the state and federal Universal Service Funds (USF). To learn more, about Alaska USF, visit its website at www.ausac.org and Federal USF, website www.usac.org
