

Affordable Connectivity Program (ACP)

The Affordable Connectivity Program is an FCC benefit program that helps ensure that households can afford the broadband they need for work, school, healthcare and more.

Adak is a qualifying Tribal land and eligible for \$75/month discount for eligible households. Check the box for Tribal Lands to receive the full maximum benefit. The benefit also provides a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers. The ACP program is limited to one monthly service discount and one device discount per household.

To determine if your household is eligible and to apply, visit [GetInternet.gov](https://www.getinternet.gov) to apply or print out a mail-in application. Once USAC approves your application, contact Windy City Broadband at 1-800-328-4222 or dialing 611 from your landline or wireless phone to complete your enrollment.

Who is Eligible for the Affordable Connectivity Program?
